

Lynn's Prescription Drug Take Back Kick-Off Event

Clean Out Your Medicine Cabinet Before Someone Else Does

The City of Lynn's Prescription Drug Take Back program has been made possible through grant funding from Health Resources in Action, in collaboration with the Massachusetts Department of Public Health. The program is an effort to prevent the diversion of unwanted prescription medications and also reduce their impact on the environment. The program is a partnership between the City of Lynn's Health Department, the Lynn Communities That Cares Coalition and the Lynn Police Department.

Protecting our youth. Saving our environment
